

Utrecht Network Young Researchers Grant

The Utrecht Network Young Researchers' Grant is for self-organised research mobility at one of the Utrecht Network partner universities, other than Utrecht University. Please check the Utrecht Network website for an overview of all [member institutions](#).

The grant is limited to thesis research on master's and PhD level. Students are allowed to take courses as well, but priority will be given to 'research-only' students.

The application procedure and documents are [available on the UN website](#).

UU applicants:

For research taking place between 1 April 2018 and 31 March 2019, please send your grant application as (one) e-mail attachment to region1@qdesk.uu.nl **before 10 February 2018**.
