www.xjtlu.edu.cn/en/about
LOCATED AT THE HEART OF CHINA
WHY CHOOSE US?
WHY CHOOSE US?

- All degree programmes are taught in English
- Active learning
- Undergraduates receive two degrees: One from XJTLU and one from the University of Liverpool
- Undergraduates can transfer to the UK for the final two years of their degree
- Masters students receive a degree from the University of Liverpool
- Prestigious professional accreditation of programmes
- Partnerships with multinational companies
- Great career prospects

WHY CHOOSE US? – PROFESSIONAL ACCREDITATION

AACSB
ACCREDITED

ACCA

RIBA
Validated course in architecture

IET
The Institution of Engineering and Technology

CIHT

ICE
Institution of Civil Engineers

IHE
INSTITUTE OF HIGHWAY ENGINEERS

Royal Society of Biology

Royal Society of Chemistry
WHY CHOOSE US? – GREAT CAREER PROSPECTS

• In 2015, 71% of graduates go on to do masters and PhDs at universities ranking within the global top 100
• 5% of graduates go into careers in cities including London, New York, Shanghai and Hong Kong
• Employers include Bosch, UBER, Amazon, China Telecom, HENKEL and etc.
• Enhanced employment prospects as a result of:
  • globally recognised degree
  • multilingualism
  • knowledge of China and cultural understanding
  • Research support and career service.

WHY CHOOSE US? – ACTIVE LEARNING

- Classroom interaction
- Application of acquired knowledge to solve problems
- Team based projects
- Intensive learning and assessment in the English language
- Fully-equipped lab facilities, design studios, and conference rooms
STUDY AREAS
ACADEMIC DEPARTMENTS

- English and Finance
- English and International Business
- Environmental Science
- Financial Mathematics
- Film and Television Production
- Human Resources Management
- Industrial Design
- Information and Computing Science
- Information Management and Information Systems
- International Business with a Language
- International Relations
- Marketing
- Mechatronics and Robotic Systems
- Public Health
- Telecommunications Engineering
- Urban Planning and Design

DEGREE PROGRAMMES - MASTERS

- MRes Advanced Chemical Sciences
- MSc Applied Informatics
- Master of Architectural Design
- MSc Business Analytics
- MSc Civil Engineering
- MA China Studies
- MSc Economics and Finance
- MSc Finance
- MSc Financial Computing
- MSc Financial Mathematics
- MDes Industrial Design
- MSc International Financial Management
- International MBA
- MSc Investment Management
- MSc Management
- MRes Management
- MA Mass Media Translation
- MSc Media and Communication
- MRes Molecular Bioscience
- MSc Multimedia Telecommunications
- MSc Operations and Supply Chain Management
- MSc Professional Accounting
- MSc Project Management
- MSc Social Computing
- MSc Sustainable Construction
- MSc Sustainable Energy Technology
- MA TESOL
- MSc Urban Design
- MSc Urban Planning
