

Dear student,

You have been (conditionally) admitted to the Master's programme in Applied Musicology at the Faculty of Humanities. We extend a warm welcome to you!

With this letter we would like to inform you about the Master's Orientation Days.

For international students we have extra orientation programmes on UU and faculty level, which will be held on 26, 27 and 28 August. You will receive separate invitations.

Classes will begin a week later, starting on Monday 7 September.

The Master's Orientation Days are mandatory for all Master's students. Its purpose is to help you find your way in the Master's programme and to give you the opportunity to meet your lecturers and fellow students.

Due to the corona measures, we are preparing an orientation programme that will take place online. Needless to say, we will adhere to the guidelines of the Dutch government.
