

Dear student,

You have been (conditionally) admitted to the Research Master's programme in Gender Studies at Utrecht University's Faculty of Humanities. We extend a warm welcome to you!

With this letter we would like to inform you about the Master's Orientation Days that will be held in the first week of September. Classes will begin one week later, starting on Monday 7 September. For international students we have extra orientation programmes on UU and faculty level, which will be held on 26, 27 and 28 August. You will receive separate invitations.

The Master's Orientation Days are mandatory for all Master's students. Their purpose is to help you find your way in the Master's programme, and they will give you the opportunity to meet your programme coordinators and fellow students.

Because of the corona measures, we will also make preparations for a purely online orientation week. However, where possible we for now try to also have in-person meetings on campus.

We will of course adhere to the guidelines established by the Dutch government.
