Please visit the banks and select which one you would like to use. If you are arriving in September, you will have the opportunity to meet different bank representatives on campus.</p> <p>The International Office will provide you with an introductory letter for opening a bank account. To receive this, you will need to tell them which bank you have chosen.</p> <p>To open a bank account you will need to show the bank:</p>

Registering with a GP	<p>If you're moving to Hull, the University requires you to register with a GP.</p> <p>All international students (non-EU) who are studying in the UK on a course of study of six months or more, qualify for National Health Service (NHS) treatment from the beginning of their stay, on the same basis as anyone else who is ordinarily resident in the UK. This means that you can access free NHS health care provision, and you can register with an NHS doctor, known in the UK as a General Practitioner (GP). Most GPs work together in groups, known as GP Surgeries.</p> <p>You will normally register as an NHS patient with a GP Surgery, rather than with an individual doctor. You should register with a GP surgery as soon as you arrive in the UK, do not wait until you become unwell, as you may not be able to get the health care you need.</p> <p>The easiest way to find a GP near you is to visit the NHS Choices website and enter the postcode of your student accommodation, please see <a href="http://www.nhs.uk/Service-Search/GP/LocationSearch/4">http://www.nhs.uk/Service-Search/GP/LocationSearch/4</a></p> <p>You will also have the opportunity to register with a GP during Welcome Week on campus.</p>
Medical Insurance for non-EU students	<p>If you are in the UK for less than 6 months, you must have adequate medical insurance before travelling.</p> <p>You can still register with a GP surgery but will be required to pay for any subsequent consultations or medical treatments.</p>
Visa	<p>Depending on your country of origin, you may need a visa to study in the UK. We will email you with information about visa applications and UK entry documents. The information you receive will depend on the length of your study and modules you have chosen.</p> <p>Telephone: +44 (0)1482 462222  Email: <a href="mailto:immigration@hull.ac.uk">immigration@hull.ac.uk</a>  Website: <a href="http://www.hull.ac.uk/Choose-Hull/Study-at-Hull/International/Visas-and-immigration/Visas-and-immigration.aspx">http://www.hull.ac.uk/Choose-Hull/Study-at-Hull/International/Visas-and-immigration/Visas-and-immigration.aspx</a></p>
