Transitional Provisions RMA Arts & Culture 2019-2020

Students who started in the academic year 2016-2017, 2017-2018 or 2018-2019 need to complete the education programme as described in the EER-attachment 2016-2017, 2017-2018 and 2018-2019, respectively. If certain components of the education programme are not offered in the current academic year 2019-2020, the following transitional provisions will apply.

It is possible to make the transition from the exam programme of an earlier cohort to the programme of the current academic year (2019-2020). If the student chooses to do so, he/she has to comply to all regulations of the exam programme of the current academic year and has to request approval from the Board of Examiners. Please contact your study advisor if you are considering to do this.

No transitional provisions are included for students who started before 2016-2017. These students need to consult the Board of Examiners if they have questions about their study programme.
