

Changes in the master's courses in 2016-2017

As of 2016-2017 the Masters of U.S.E. have been renewed. Some of the courses of 2015-2016 are discontinued and some courses are renewed (and reduced from 7,5 to 5 ECTS). If you need to do one or more courses next year, please contact the study advisor Huub Klein Schiphorst (during the open office hours on Monday and Thursday from 10-11 (till mid-July), after an appointment via +31 30 253 42 83, or via email h.kleinschiphorst@uu.nl) to make your personal plan. We will then enroll you for the course(s) and, if necessary, contact the course coordinator in case you need to do an extra assignment (to make up for the 2,5 ECTS difference in study load between the old and new course).
