

Retake exam WISB326, July 12, 2022, 17:00-20:00

Instructions

- The exam consists of 6 exercises and is worth a total of $12+8+12+25+15+18 = 90$ points.
- All your answers need to be completely justified. Correct answers without explanation don't get points.
- Some exercises consist of several items: (a), (b), (c). If you cannot solve an item, do continue: you can use its statement to solve the next ones.
- Write your name on every sheet and on the first sheet write your student number, name of the course, date, and how many sheets you hand in.
- During the exam you: cannot consult any course material, you cannot use phones, laptops, calculators, nor any other electronical devices.
- During the exam, communication with anyone but the lecturer and the teaching assistant is by no means allowed.
- You are free to write your solutions either in English, or in Dutch.
