

Graduate School of Humanities Conference Grants for Research Master Students

Research Master students are encouraged to participate in international conferences. To stimulate this participation, the Graduate School of Humanities awards Conference Grants twice per year (deadline for applications: 1 December and 1 May). Students who wish to be considered for such a grant are asked to submit an application to the Graduate School of Humanities (GSHumanities@uu.nl). Please use the application form below. The sum of the grant you might receive will depend on the total number of applicants. Although we hope to be able to reimburse all students' travel and accommodation expenses, this is not guaranteed.

Please take into account the following conditions when applying for this grant:

- You will only be eligible for this grant if your paper has been accepted and you are actually going to present it (or you have already presented it) at the conference.
- Only costs that were truly made can be declared (the receipts must be handed over). If the conference takes place at a later date or if you expect to incur other costs, you can participate in the next round.
- In line with the UU sustainability policy, for trips with a distance of up to 700 km from Utrecht Central Station or a travel time of up to 8 hours, you are only eligible for this grant if you travel by train.

For questions, please send an email to GSHumanities@uu.nl.
