Transitional Provisions RMA Linguistics 2022-2023

General remark

There are no transitional provisions for students who started before 2019-2020. These students should contact the study advisor if they have questions about their study programme.

Students who started in the academic years 2019-2020, 2020-2021 or 2021-2022 need to complete the education programme as described in the EER-attachment for their academic year. If certain components of the programme are not offered in the current academic year 2022-2023, the following transitional provisions will apply.

It is possible to make the transition from the exam programme of an earlier cohort to the programme of the current academic year (2022-2023). If the student chooses to do so, they must comply to all regulations of the exam programme of the current academic year and must request approval from the Board of Examiners. Please contact your study advisor if you are considering this.

Transitional provisions for students who started in 2019–2020 (cohort 2019), 2020-2021 (cohort 2020) or 2021-2022 (cohort 2021) [Exam Programme LN-OLIM-16]
