

**APPENDIX TO INTERNSHIP ASSESSMENT FORM  
(RESEARCH) MASTER History of Politics and Society**

The overview below is an clarification of the assessment form for the internship report at Master's level. This overview is used by the supervising lecturer when completing the assessment form. Each aspect is explained and programmes can set their own criteria or priorities. This overview is also available to students to help them prepare for the internship report.

In addition to the lecturer's assessment, the feedback from the internship supervisor form the organisation also plays a role in the final assessment of the internship (separate form). For a satisfactory final assessment, all components must be assessed with at least a satisfactory score.

The supervising lecturer informs the student of the final assessment, and gives the student access to the assessment forms. The completed assessment forms must be submitted for archiving to the Internship Office via [stage.gw@uu.nl](mailto:stage.gw@uu.nl) (along with the report). The final assessment will be registered via Osiris.

**Programme specific criteria**

*Each (Research) Master programme has the opportunity to set their own criteria, in addition to the general criteria mentioned below. These criteria should relate to the programme aims in the EER (OER).*
