

SQ3R Reading Method

Before Reading	While Reading	After Reading
S: Survey Survey titles, subheadings, images and charts	1st R: Read Read each section with the aim of answering the questions you've just posed.	2nd R: Recite Recite aloud in your own words the answer to each question. Make notes on your answer in your own words.
Q: Question Turn headings and subheadings into questions using the words how, what, where, why, and when.		3rd R: Review Review your answers periodically without using your notes. If you get stuck, review your notes and try again.
