[Check the requirements](#)

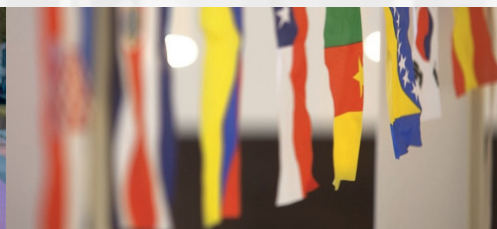

## Application Procedure

After receipt of the nomination, students will be informed by email about application instructions and the link for an online application using the student registration system Osiris.

## Visa Information

In case students require a visa (including residence permit), the UU-Visa Department will support students with the application procedure.

[Check more information here](#)

## UU Welcome Week Programme

Students will receive relevant information a few weeks before the start of the semester. Attending the [UU Welcome programme](#) is strongly recommended.

### Length and moment

Fall semester/full year - One week in August  
Spring semester - Two days end of January

## Course offer

The faculty of science offers a selection of courses on BA and MA level in the different departments. [Find the available courses here.](#) Within the faculty of Science it is also possible to arrange writing a research project / thesis during exchange. Additionally students are allowed to take a maximum of half of their courses at one other faculty. Find course offer open for exchange of all faculties [here.](#)

## Academic Calendar

Semester I - 7 September 2026 till 29 January 2027  
Semester II - 8 February 2027 till 2 July 2027

[More important dates](#)

## Housing

Watch our [webinar](#) for information on accommodation in Utrecht, which is scarce and expensive. Students are strongly recommended to apply for accommodation through the Reserved Accommodation Programme. Unfortunately, Utrecht University cannot guarantee placement

## Grading Information

Students are graded on a 1-10 scale. A full-time study load at Utrecht University equals 60 ECTS, or 30 ECTS per semester. Students are expected to take two 7.5 EC courses each period, or four courses each semester.

[Read more about grading system here](#)

## Transcript of Records

The Transcript of Records will be sent to the home institution / student by email soon after the end of the semester or full year

## Cost of Living

€ 1000 - € 1750 per month (including housing, food and transportation)

## Student Jobs

Jobs for students are available and allowed. Non-EU/EEA students require a work permit and are restricted to a maximum amount of 10 hours working/a week OR full-time in the summer (June - August).

## Health Insurance

The European Health Insurance Card is sufficient when studying in the Netherlands. If you do not have that, then health insurance comparable to "[ICS-Complete](#)" from AON should be considered.

## Special Needs

UU wants to ensure that all students feel welcome and receive the support they need. Find all the information on studying with a disability [here.](#)

## Health Facilities

Upon arrival students receive information about doctors, dentists and pharmacies, student psychologist services.

## Early exit

Students that need an early exit need to make sure they choose courses that offer an early exit. Make sure you inform the International office that you are early exit with your application.

[Check the information here.](#)

## Course time slots

Utrecht University offers courses in different timeslots. To make sure there aren't timeslot clashes in your schedule, choose courses of different timeslots in one period.

[Find more information here.](#)
