Overview of the Campus Life Rules and Guidelines 2024-2025

The *University College Utrecht Campus Life Rules and Guidelines* frame our community standards and provide a resource for creating an informed community accountable to ourselves and one another. The document includes the UCU Social Honour Code, resources and practical information, policies, and guidelines that establish a healthy, supportive residential community.

The document consists of three primary sections, the UCU Social Honour Code, General Rules and Guidelines, and UCU Housing Rules and Guidelines. The *Campus Life Rules and Guidelines* serves as a companion piece to the [Academic Rules and Regulations](#). Students are expected to read and adhere to policies, regulations, and guidelines in the *Campus Life Rules and Guidelines* and *Academic Rules and Regulations*. Each individual has a responsibility to the greater UCU community. The policies apply during the entirety of a student's enrolment at University College Utrecht, whether on or off-campus.

Reader Notice

As a student of University College Utrecht (UCU) you will be required to sign a formal contract, the Campus Agreement, before arrival on campus at the start of your studies. By signing, you agree to follow all rules and guidelines stipulated in this document including the terms on which housing is provided to you as an enrolled University College Utrecht student (see [UCU Housing Rules and Guidelines](#)).

The Campus Life Rules and Guidelines have been established with the premise that students have responsibilities when living and partaking in the community – whether on-campus or off-campus. Therefore, as a student at University College Utrecht, any misconduct off-campus, including travel abroad, that violates UCU policies or rules may also result in disciplinary measures or other sanctions on campus.

Campus Life Rules and Guidelines Updates

UCU has the right to unilaterally amend the *Campus Life Rules and Guidelines*. This update takes place in consultation with the University College Student Council (UCSC) and/or the Campus Affairs Representatives (CAR). The students will be informed of any update.

University College Utrecht Social Honour Code

University College Utrecht (UCU) is a residential college where all students live together for at least two years and often for the entire duration of their degree program. The intent of education at UCU is not only to enable personal growth and professional advancement, but also to prepare our students to fulfil their role as citizens, enabling them to serve others in a range of different roles. Living together as a community is an integral and necessary component of this education and requires mutual respect. Engaging with each other as a social community enables students to truly learn together, including through their sometimes significant personal and philosophical differences. Our residential social community is a cornerstone of our educational program, and its flourishing is essential to the learning and wellbeing of our students.

We share a commitment to ensuring that all members of the community feel safe and welcomed. We jointly commit to fostering and maintaining a respectful, healthy and harmonious living and learning environment, which extends to the spaces that we share and appreciate. We are considerate of each other as well as our physical surroundings at all times, and we hold each other in high regard. We celebrate the diversity of backgrounds within our community, which is key to our learning. We therefore appreciate every individual's personal identity and are empathetic to the experiences of others. Members of the community take on an open and curious approach when engaging with perspectives that might differ from their own. We make an effort to actively listen to each other and always strive for understanding. Furthermore, we foster an atmosphere in which all members can assert their personal boundaries, and we respect the boundaries of others at all times. Above all, we are aware of our joint responsibility for the wellbeing of our community as a whole and hold one another accountable.

In short, UCU is an environment of mutual respect, responsibility, consideration and consent. All members of the UCU community are expected to embody these values. In the Campus Life Rules and Guidelines, these values are translated to explicit expectations in terms of behaviour and responsibilities. All members of our community constitute the atmosphere on campus, and we jointly create an environment where everyone feels safe and welcome.

All students at University College Utrecht are expected to adhere to the Social Honour Code throughout the duration of their studies. Violations of the Social Honour Code, the General Rules and Guidelines and/or Housing Rules and Guidelines can lead to sanctions. The disciplinary process for violations are outlined in Article 11.

Article 7. Drug and alcohol consumption

- 7.1 All members of the UCU community are expected to comply with the Dutch Opium Act, which states that the dealing of hard and soft drugs, as well as the possession of any hard drugs and any large amount of soft drugs is illegal. The Act tolerates the personal use, in limited amounts, of hash and cannabis as well as alcohol. Smoking hash and cannabis is, however, not allowed on campus (see article 2.3).

As the health and safety of UCU students are of primary concern, the College administration will observe a Good Samaritan Policy in situations where a student's health or life is at risk due to drug overdose. In such situations, those present must notify emergency services of the situation immediately by contacting UU emergency security (030 253 4444) or dialling 112 when off campus.

- 8.1.1 Students should avoid littering indoor and outdoor spaces at all times, and are responsible for the safe disposal of waste.

Article 9. Safety and security

- 9.1 The safety and security of the units and their occupants are matters of serious concern, and all students share responsibility for this. The following safety rules apply to students in all units:

 - 9.1.2 Do not prop any of the campus gates open.

 - 9.1.6 Fire escapes may only be used in emergencies.
- 9.2 Students are asked to be diligent with fire safety measures. These include the following:
 - 9.2.1 Be aware of escape routes and fire alarm locations in your building and discussing a fire evacuation plan with your unit mates.
 - 9.2.2 Do not block or tamper with smoke detector sensors.
 - 9.2.3 Do not overload electrical outlets.
 - 9.2.4 Open fire is prohibited, including the use of candles.
 - 9.2.5 Keep common passageways clear and free of trash and debris. No items (including trash) may be stored in hallways, blocking doors or in any other location that hinders a safe and easy exit from any part of the building. This allows for safe passage in case of fire, and also reduces fire risk.
 - 9.2.6 Do not store hazardous materials, and do not install extra kitchen appliances.
 - 9.2.7 All regulations will be enforced by both University College Utrecht and the local fire department, and regular inspections will be held.
 - 9.2.8 Students must abide by all general and fire safety regulations. Violating the (fire) safety regulations is in effect endangering other people's lives, and will therefore result in disciplinary consequences as outlined in Article 11.

Article 13. Complaints, objections and appeals

13.1 If you feel you have not been treated properly by someone employed by Utrecht University, or if you disagree with a decision that affects you personally, you can respond in a number of ways. For more information and the procedure, please refer to the [University Utrecht webpage](#) on complaints, objections and appeals.

Housing Rules and Guidelines

In line with University College Utrecht's residential liberal arts and science bachelor's programme, students are expected to live in provided accommodations and guaranteed a room on campus up to and including their sixth semester. UCU's accommodations are temporary and directly linked to an enrolment at UCU. The residential buildings are owned by the [Lekstede Wonen](#) housing corporation, and rented to Utrecht University (UU). The UU makes these buildings (internally) available to UCU. UCU then makes the housing units available to its enrolled students on the basis of a mixed agreement whereby studying at UCU is predominant and receiving and living in the provided accommodations is ancillary. Thus, students do not rent their accommodations directly from Lekstede Wonen and rental legislation does not apply.

Students receive and sign the Campus Agreement (a legally binding contract between the student and University College Utrecht) upon arrival to UCU prior to starting their studies. The Campus Agreement entitles students to use UCU's on-campus facilities, including their allocated accommodation in conjunction with annual payment of the campus fee. By signing the Campus Agreement students agree to abide by the *Campus Life Rules and Guidelines* stipulated in this document including the terms on which housing is provided to them as an enrolled student. The Campus Agreement is valid for the duration of their enrolment at UCU with a maximum of six semesters (seven semesters if approved by the Exam Board. See the *Academic Rules and Regulations*). This means that students are aware and agree that after completion of the UCU degree programme or any other form of enrolment termination, they will no longer be entitled to UCU accommodations and their annual room allocation will not be renewed.

Providing accommodations in attachment to enrolment and the terms outlined in the UCU Housing Rules and Guidelines section of the *Campus Life Rules and Guidelines* is necessary because the residential component of our campus is integral to our educational philosophy and programme. Temporary housing ensures that all incoming cohorts of students will have a place to live on UCU's campus while studying. UCU is only able to provide and guarantee access to accommodation to admitted students if there is a consistent departure of graduated (or otherwise de-enrolled) students from on-campus housing each year.

Article 1. Underlying principles of UCU housing

- 1.1 UCU students are provided with an accommodation as part of the residential Liberal Arts and Sciences study programme for the duration of time as stipulated in the Campus Agreement contract.
 - 1.1.1 UCU accommodations are only intended for enrolled UCU students.
 - 1.1.2 UCU's educational concept requires all students to change units once per academic year.
 - 1.1.3 Students are allocated a new room upon arrival each academic year.
 - 1.1.4 Living on-campus is an obligation that arises from following education at UCU.
 - 1.1.5 The purpose of providing housing is to form an international community that (as well as the other activities) supports the education of students in order to achieve a small-scale, intensive educational programme.
- 1.2 UCU students are guaranteed a room on campus at University College Utrecht up to and including their sixth semester.
 - 1.2.1 Students who are in their 5th and 6th semester may request to live off campus. Applications should be submitted to the Housing Officer. Visit the [student website](#) for more information.
- 1.3 The rules and regulations outlined are in relation to living in UCU housing and part of the campus agreement between University College Utrecht University and each student.
- 1.4 Deviations from the text of the UCU Housing section of this document can only be agreed upon with the explicit written consent of UCU.
- 1.5 During the period specified in the campus agreement each student is enrolled at University College Utrecht.
- 1.6 UCU students do not have the intention to settle for a longer period in UCU accommodation.
- 1.7 After each academic year, or semester if the student attends an exchange programme, the student will vacate and leave the premises in the same condition as they were on arrival.

Article 2. Duration of residential accommodation term

- 2.1 Residential accommodations are allocated for the duration that students are enrolled at UCU (generally six semesters).
 - 2.1.1 Students who are not enrolled and attending courses at UCU or Utrecht University are not entitled to a room during that time.
 - a. Given the limited number of rooms that UCU can offer, students completing internships, apprenticeships or other programmes while not actively enrolled at UCU do not qualify to receive a room on campus.
- 2.2 Students who participate in an international exchange programme are not guaranteed a room on campus for the UCU semester in which they attend their exchange programme.
 - 2.2.1 If a student cancels their exchange programme enrolment after 1 April (Fall Exchange) or 1 September (Spring Exchange) requiring them to remain at UCU for that semester/year, they will receive housing from UCU based on availability.
 - 2.2.2 Students who otherwise would have been away on an exchange programme may be allocated a shared/double room.
- 2.3 Campus fees for the entire semester are due, also if a student has to vacate their room earlier than the end of the semester due to participation in an exchange program or otherwise.

Article 3. Delivery and acceptance of a residence with shared facilities

- 3.1 On the date the student arrives to campus for the academic year/semester, UCU will make the allocated room available to the student and deliver the room in good condition.
 - 3.1.1 If the room has not been vacated by the previous student or there are minor or major defects that require repair or replacement, the student should inform the landlady and the Housemaster.
- 3.2 Students will receive the keys to their accommodation upon arrival to UCU. New students will receive their key from the arrival team while returning students can find their keys in their mailbox.

Article 4. Furniture and inventory

- 4.1 Each student is responsible for the appropriate use of accommodation including shared facilities and appliances.
- 4.2 Reasonable care of college furniture and bedrooms is expected of every student.
- 4.3 An inventory and inspection of the rooms, the furnishings and their condition is conducted prior to students' arrival.
 - 4.3.1 Within two weeks of their arrival students should report (by email) any missing or damaged items to the Landlady using the Room Condition Report Form distributed by the Landlady via email.
 - a. A similar form must be completed jointly by all unit mates for the shared areas.
 - 4.3.2 Under no circumstances should any furniture be removed from a room without authorisation.
 - 4.3.3 Students may not paint any part of their room or furniture.
 - 4.3.4 Nothing may be driven into or attached to the walls, furniture or woodwork, including nails, tacks, screws, pins or adhesives of any type. For this purpose a strip of wood has been put in place, to which items such as posters can be attached.
- 4.4 A closing inventory is made when each student moves out, and students are held accountable for any damage to the furniture or the rooms, or for any missing items.
- 4.5 The costs for repairing damage and replacing missing items will be assessed by LekstedeWonen. LekstedeWonen makes every effort to do this as transparently as possible. The burden of proof for demonstrating that any charge for damage or missing items is unjustified, lies with the student in all cases.

- 4.6 A formal dispute process will be set up for cases where a student disagrees with the charge for repairing damage or replacing a missing item. In case of any notification about liability for the costs of repair or replacement, the student will be informed about the formal dispute process.
- 4.7 The items on the list below should be present in your assigned room and residential unit. The presence of a shared item can differ per unit.

UU Non-Emergency and Emergency Security

Students are encouraged to report suspicious behaviour or any non-urgent security matters to non-emergency security: 030 253 1300.

Any urgent emergencies should be reported to emergency security at 030 253 4444 or call 4444 from a campus phone. It's advisable to add this number to your mobile phone. This connects you immediately to the Utrecht University Security Meldkamer (emergency/incident room), which is available 24/7. Inform them of the nature of the emergency, and of its exact location. They will take the appropriate steps. Call this number instead of 112 for emergencies on campus grounds.

More information on emergencies and after-hours medical help can be found on the [student website](#).

Substance abuse

If you suspect that your relationship with any substance is escalating, a free, addiction specialist treatment centre is available and they will direct you to an appropriate programme:

Brijder
Havenstraat 37, 2871 DX Schoonhoven
088 358 3450

Furthermore, psychologists at Utrecht University Student Services can be contacted for drug-related problems (030 253 7000).

Campus Access

XS card and keys

All students receive an XS card (electronic key). The XS cards are individually programmed for each student. They provide access to the campus, the academic buildings, the residences, and the Dining Hall and bar. The card remains property of UCU. Loss and/or damage of the card must be reported to the Landlady immediately, otherwise the student will be held responsible for any subsequent misuse of or abuse of the XS card. If a student loses the XS card, a € 25 fee will be deducted from their Housing deposit. Please note that individual XS card activity is stored. This information can only be accessed for emergencies or personal safety, or to reference entrance to common buildings, not private dwellings.

A 'normal' key is issued for the individual student rooms and the mailboxes. In case of loss, a fee of approximately € 6 will be deducted from the Housing deposit.

Access to campus

Students have 24-hour access to the campus through the pedestrian gate (pedestrians and bikes only!). Opening hours of the gates are as follows:

- The car entrance (Kromhoutweg) is open from approximately 06:00 until 01:00
- The bike gate (next to the clock tower building) is open from 06:00 until 01:00 (and cannot be used 01:00 – 06:00)
- The pedestrian gate (next to the bike gate) is unlocked from 08:00 until 23:00, and can be opened with an XS card at all other times.

Please note that guests leaving between 01:00 and 06:00 must be escorted to the gate by their hosts! Guests arriving after 23:00 should be aware that there is no doorbell at the gate.

Anyone who wishes to leave the campus by car after 01:00 must call security at 030 253 1300, and pay a € 28 fee. Guests can park their cars in the Prins Hendriklaan free of charge after 21:00.

It is forbidden to prop any of the gates open, as this is considered to endanger the safety of campus buildings and students, and will be dealt with accordingly.
