Appendix 7 - Transitional Provisions BA History 2017-2018

Students who started in the academic years 2016-2017, need to complete the education programme as described in the EER-attachment 2016-2017 above. If certain components of the programme are not offered in the current academic year 2017-2018, the following transitional provisions apply.

It is possible to make the transition from the exam programme of an earlier cohort to the programme of the current academic year (2017-2018). If the student chooses to do so, he/she has to comply to all regulations of the exam programme of the current academic year and has to request approval from the Board of Examiners. Please contact your study advisor if you are considering to do this.

The new compulsory courses are equivalent to the old courses (see below), unless stated otherwise. If a student has completed the old course, he/she can not follow or complete the new course as well.
