Transitional Provisions MA International Relations 2018-2019

Students who started in the academic years 2016-2017 or 2017-2018, need to complete the education programme as described in the EER-attachment 2016-2017 or 2017-2018, respectively. If certain components of the programme are not offered in the current academic year 2018-2019, the following transitional provisions apply.

No transitional provisions are included for students who started before 2016-2017. These students need to consult the Board of Examiners if they have questions about their study programme.

It is possible to make the transition from the exam programme of an earlier cohort to the programme of the current academic year (2018-2019). If the student chooses to do so, he/she has to comply to all regulations of the exam programme of the current academic year and has to request approval from the Board of Examiners. Please contact your study advisor if you are considering to do this.
