> Studying abroad with special needs

## Study abroad

Do you want to expand your horizons and take on an extra challenge during your studies? Do you want to widen your opportunities in the labour market, in the Netherlands and abroad? A great way to do this is to follow a part of your studies at a university in a different country. It is a fantastic and unforgettable time, a strong addition to your CV and also great for your personal development.

Utrecht University

# UU-wide destinations

*For a list of destinations open to all UU students, scan the QR code!*

or click [here](#)

# Region – Australia & New Zealand
