Comprendre le monde,
construire l'avenir

Description (maximum 2,000 characters):
University of Zurich offers various projects in the field of Psychology. Research projects are always designed individually, tailored to the interests of the student and the expertise of the supervisor. Students can submit a proposal (maximum of 3 proposals) by email, including the following documents: CV Proposal (max 1 A4 page) describing your interest and research topic. We will then try to find the best matching project for you. The Research project is also open for recently graduated undergraduates (but not yet started in their graduate program) and for graduate students. Number of places available: 1 per semester depending on the project.

Note: Research project may be adapted according to the student profile and the period/timeline.

Department:
Department of Psychology
