HOW CAN WE HELP YOU?

The National Education Programme (Nationaal Programma Onderwijs) offers support during the corona pandemic.

- Extra psychologists, and courses for confidential advisors in student organisations.
- Community spaces, such as at the Parnassos Cultuur Café, and buddy programmes.
- Online Coach Centre, personality tests, Study Choice Advisors.
- Sport and culture, f.e. with Olympos discounts & chess tables on campus.

And there is more to come...

A student community App, a UU Community Week (19-21 April), more green on campus, and much more!
