

Grant opportunity for research and study in Bologna - Italy

The Collegio dei Fiamminghi in Bologna (www.collegiodeifiamminghi.it) offers a grant and free accommodation to young researchers (PhD or employee) and advanced students (research master's) of Utrecht University. The grant is open for research in all disciplines that are of relevance for the University of Bologna and Utrecht University.

Grants are available for a period of stay for 1 or 2 semesters between October 2021 and July 2022. The grant includes a monthly allowance (maximum of €3500 for a semester) and free accommodation at the Collegio dei Fiamminghi.

Students who will receive this grant will no longer be eligible for Erasmus+ funding for the same period abroad!

A call for applications for 2021-2022 is open now.

Application procedure:

- applicants need to submit:
 1. a study and/or research plan for the period in Bologna;
 2. motivation letter;
 3. CV;
 4. overview of study results (for master students);
 5. letter of recommendation from UU supervisor;
 6. letter of invitation
- complete applications need to be submitted in one single pdf-document by e-mail at region4@uu.nl
- deadline for applications for the academic year 2021-2022 is **20 April 2021**
- a maximum of 1 candidate can be awarded
- Utrecht University will nominate candidates and will give preference to PhD candidates/researchers over (master's) students according to the guidelines of the Collegio
- final selection of the nominees will be made by the Collegio dei Fiamminghi
